ABOUT

I'm enthusiastic and passionate person currently pursuing Bachelors degree in Electronics and communication engineering at Vellore Institute of Technology. Eager to learn new technologies and methodologies in both Front-end and Back-end. Always willing to innovate the new things which can improve my existing skills.

EDUCATION

Vellore Institute of Technology	2020 - 2024
<i>Bachelor of Technology ECE, 8.47/10</i>	<i>Vellore</i>
Narayana Junior College	2018 - 2020
<i>Intermediate(12th) MPC, 9.34/10</i>	<i>Hyderabad</i>
Sri Chaitanya School	2017 - 2018
<i>SSC, 9.5/10</i>	<i>Tirupathi</i>

PROJECTS

Web Devolopment Project

You can use this site for your daily needs like Cororna Details, News, Movie Ratings, GPA calculation etc.

Business Website

It is a simple buisness site for sri sai agencies which is a wholesale bevarage agency.

Car Price Prediction Using Linear Regression

It predicts the car price by taking different parameters like Car model,fuel type,owner type,transmission type etc as inputs. This is based on the dataset from CarDekho sales.

Movie Recommender

It takes your favourite movie name as input and gives reccomended movies by mathing keywords, tags etc. I used TMDB dataset from kaggle.

3D Models using Webgl

Agriculture Rover

SKILLS

C++ Python C DSA DBMS HTML CSS
JavaScript Bootstrap NodeJs ExpressJS
MongoDB ReactJS Pandas Numpy Seaborn
Matplotlib Machine Learning React Native

CERTIFICATION

Python for Data Science and Machine Learning Bootcamp

Udemy • Credential ID: UC-0c59137d-d021-44d3-a818-5cdc1611842e | Issued: Jan 2023 • Never expires

The Complete 2023 Web Development Bootcamp

Udemy • Credential ID: UC-080d8b84-4451-4e3e-b184-a645d17a2cb8 | Issued: Mar 2023 • Never expires

Problem Solving (basic)

HackerRank • Credential ID: 927DFC0D1732 | Issued: Sep 2022 • Never expires

Programming for Everybody (Getting Started with Python)

University of Michigan(Coursera) • Credential ID: CHU4UZ9P8HLH | Issued: Nov 2020 • Never expires

Programming Fundamentals
